Simply everything.

Everything simple.

## GaLa

GaLa is our Special Offer catalogue, featuring products that we find ourselves over stocked with, for a number of reasons. It could be that customer orders have slackened off, or design requirements have moved on, but all the products have two things in common. They are premium quality and are offered at great prices with stock clearance in mind.

Call your VBH contact for current stock levels, but do it quickly before someone else beats you to it.
